

TALON URINAL TRAP SEALANT

WATERLESS URINAL TRAP SEALANT

TUTS-SPEC

PRODUCT DESCRIPTION

PRODUCT

TALON Waterless Urinal Trap Sealant

TYPE

TALON Waterless Urinal Trap Sealant Eliminates urinal odor problems.

TALON Waterless Urinal Trap Sealant will not evaporate which helps eliminate drain odors long term. Has a fresh citrus scent. Higher viscosity than most trap primers will help prevent it from being washed out.

RECOMMENDED USES

TALON Waterless Urinal Trap Sealant ready to use trap liquid sealant is ideal for use in waterless urinals. Its fluid has a specific gravity lower than urine which allows it to float creating a long lasting liquid seal. As the urinal is used, small amounts of the sealant will be drained into the waste line and will need to be replenished (usually after 1,500 uses). It is biodegradable.

TALON Waterless Urinal Trap Sealant remains indefinitely in the trap with no use, sealing trap odors.

COLOR/CONSISTENCY

Purple / Liquid

FREEZE POINT PROTECTION

-20°F (28.9°C)

PACKAGING

U.S. Measure:

<u>Stock Code</u>	<u>Size</u>
Plastic Jug w/ Spout	
TUTS32	Quart (.95 L)
TUTS1	Gallon (3.785 L)

SHIPPING WEIGHT PER CASE

<u>Stock Code</u>	<u>Case Weight</u>	<u>#/Case</u>
TUTS32	27 lbs. (12.2 kg)	12
TUTS1	48 lbs. (21.8 kg)	6

WEIGHT PER U.S. GALLON

7.16 lbs. (3.25 kg) ± 0.2
