Plumb-Pro Super Shovels

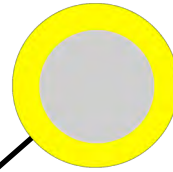

Get a Handle on Quality...

Plumb-Pro Super Shovel super-duty handles are made tough from thousands of fiberglass strands encased in a proprietary resin. All Plumb-Pro Super Shovel tools feature solid core fiberglass handles for strength, safety, and durability.

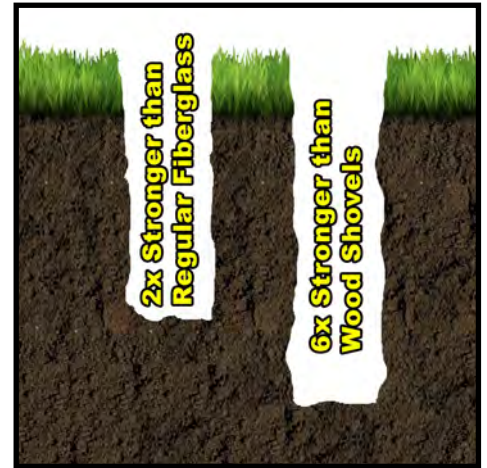

- Premium Quality Shovels
- Solid Core Through the Neck
- Light Weight Honeycomb Handles
- Forged 16 Gauge Steel Blades
- Exceptional Strength

Fiberglass tubing consisting of millions of continuous parallel glass fibers in tension over a lightweight core.

Solid fiberglass reinforcement at the critical stress point (patented).

Adapter collar guarantees perfect stress bearing contact between handle and blade (patented).
