

Pro-Stripe Marking Paint

Inverted Aerosol

Recommended for:

Use in marking construction, excavation sites, underground utilities, landscaping, sports turf marking, graphics, logos and general surveying. Colors meet American Public Works Association (APWA) Uniform Color Code for marking underground facilities. All *PRO-STRIPE* inverted markers are lead free and the water based formula allows for use on lawns without damaging the grass. Durable enough for traffic marking, marking: gas lines, electric lines, utilities, and water lines.
