The background of the cover is a collage of various pipe cutting tools, including hand-operated cutters in blue, red, green, and yellow, and a large blue ratchet pipe cutter. The tools are arranged in a way that they appear to be scattered and overlapping. The main title is centered in a yellow oval with a dark blue border. The text 'WHITLAM' is in a smaller font above 'PLUMB-PRO', which is in a large, bold font. Below that, 'Quality Tools' is in a slightly smaller font. A registered trademark symbol (®) is located to the right of the oval. The bottom of the cover features a white horizontal band with the text 'PIPE CUTTERS CATALOG' in blue, and a red horizontal band below it with the year '2018' in white. The website address 'www.jcwhitlam.com' is printed in white at the bottom right corner.
