

PLUMB-PRO

PLUMB-PRO CPVC Pipe Vent Screens are nominal pipe size and friction fit into an equal size fitting

Patented condensate channel prevents freeze build-up

Keep the Critters out with Quality PLUMB-PRO Pipe Vent Screens !

CPVC PIPE VENT SCREENS

- **Patented Condensate Channel**
- **Glue and Tool Free Assembly**
- **Stainless Steel Screen**
- **Prevents Vent Clogs**
- **Professional Grade**

MADE IN U.S.A.

U.S. Design Patent
US D715,409 S

PLUMB-PRO Pipe Vent Screens are professionally made to prevent unwanted animals, leaves and debris from entering HVAC and plumbing vent pipe. Fabricated with Schedule 80 CPVC and high quality Type 304 Stainless Steel Screen for high temperature applications and code required installations. The vent cap works excellent as a condensate trap screen and as a vent stack guard. Ideal for use on high efficiency heating equipment. No tools or glue are required for assembly. Simply press the vent screen into an existing fitting to seal out the pests and unwanted debris. The patented condensate channel allows for proper drainage that prevents a buildup of moisture and potential freezing of the screen.

Stock Code	Size	Container	Items/Case	List Price Each
#VSC2	2" Pipe Vent Screen*	Boxed	10	\$15.15
#VSC3	3" Pipe Vent Screen*	Boxed	10	\$20.66
