

WHITLAM BLACK DRAGON

GILSONITE ASPHALT PAINT

RECOMMENDED USES:

A non-fibered, fast drying Gilsonite Asphalt coating for painting interior and exterior metal, masonry, and wood surfaces where a corrosion resistance and waterproofing black protective coating is desired.

Excellent for sealing the following:

- Concrete Pipe
- Underground Pipelines
- Iron Grates
- Service Adaptors and Couplings
- Metal Flanges and Bolts
- Iron Pipe and Fittings
- Manhole Covers and Risers
- Boilers and Boiler Piping
- Natural Gas Lines
- Storage Tanks
- Buried Propane Tanks
- Backflows
- Masonry Surfaces
- Automotive Undercarriage

Excellent for wastewater immersion and wastewater wet wells, pump stations, manholes, and excellent for acid/corrosion protection with a pH range of 3-10.

APPLICATION:

This enamel can be applied as is by brush or roller. For dipping or spray application, Black Dragon should be thinned with mineral spirits, Stoddard solvent or painter's naphtha. No stirring is required. **Black Dragon** has an unlimited shelf life.

AVAILABLE SIZES:

Stock#	Size
BD1	1 gal. (3.785 L) Can
BD5	5 gal. (18.9 L) Pail
BD55	55 gal. (208 L) Drum
