

FLOW-AIDE®

BIODEGRADABLE DESCALER

- Concentrated Formula, Up to 5:1 Dilution
- 20X More Effective, Fully Diluted than Vinegar
- Nontoxic, Biodegradable
- Safe to Handle
- Excellent for Potable Water Systems

FLOW-AIDE® is a non-hazardous, noncorrosive, non-injurious, nontoxic and biodegradable descaler that is heavily fortified with wetting and penetrating agents which actually dissolve water scale, lime, mud, rust, and other water formed deposits from water operated equipment. It is light amber in color.

PACKAGING:

Stock Code	Size
Plastic Jug w/ Spout	
FLOW32	1 quart (.95 L)
FLOW1	1 gal. (3.785 L)
5 Gallon Plastic Pail w/ Handle	
FLOW5	5 gal. (18.9 L)
55 Gallon Drum	
FLOW55	55 gal. (208 L)
275 Gallon Drum	
FLOW275	275 gal. (1041 L)

Restore Water Appliance Efficiencies

RECOMMENDED USES: FLOW-AIDE® is a nontoxic concentrate which is certified to NSF/ANSI/CAN 60 for use as a cleaner in potable water systems. FLOW-AIDE® is NSF registered for use in beverage, pharmaceutical, bottling, poultry, and other food processing plants. USFDA has no jurisdiction over the product, since it does not come in contact with food.

Excellent for Cleaning and Descaling:

Boilers **Evaporators** **Humidifiers** **Water Heaters** **Potable Water Lines**
Chillers **Tanks** **Condensers** **Heat Exchangers** **Ice Machines**

FLOW-AIDE® has the ability to dissolve approximately two pounds (0.91 kg) of calcium carbonate scale per U.S. gallon while at 70°F (21°C) in concentrated form. If the FLOW-AIDE® is diluted, it will still dissolve two pounds per gallon, but will require additional circulating time.

Over 20X More Effective

Recommended for use with WHITLAM FLOW-KIT or FLOW-COM5 and EZ-800 PLUMB-PRO® PUMP.

DO NOT USE VINEGAR with the EZ-800 Pump provided in the FLOW-KIT. Damage to the pump will occur and void the pump's warranty.

09/2024

FLOW32 **Vinegar**

1 Qt. of FLOW-AIDE® is equal to 5 gallons of vinegar

FLOW-AIDE® is Safe to Handle

Before **After**

FLOW-AIDE® is biodegradable with a BOD value of 16 mg/l. This normally allows the solution to be water flushed down plant sewers. Check with local ordinances and regulations in your area prior to disposal. FLOW-AIDE® contains no volatile organic compounds (VOC).
