

WHITLAM

PRO-STRIPE

TRAFFIC MARKING PAINT

RECOMMENDED USES:

Engineered for excellent adhesion to asphalt and concrete, **PRO-STRIPE** Traffic Marking Paint delivers bright, clean lines with strong opacity and long-lasting performance. It resists wear, weather, and heavy traffic, ensuring markings remain clear and effective over time. Suitable for use with standard line marking equipment, **Whitlam PRO-STRIPE** provides consistent, professional results for contractors, councils, and maintenance teams.

APPLICATION:

PRO-STRIPE Traffic Marking Paint can be applied as is by brush, roller or spray. Thinning is normally not required, a small amount of water can be used to reach a proper spraying consistency.
